# Sponsoring

DVS – The German Welding Society and TSS – Thermal Spray Society, ASM International, are pleased to announce the following sponsors of ITSC 2016:

Oerlikon Metco, Switzerland

Green Belting Industries Limited, USA

TECNAR Automation Ltd., Canada

Are you interested? Additional sponsors are welcome! Please contact:  
[christina.sandoval@asminternational.org](mailto:christina.sandoval@asminternational.org) or [simone.mahlstedt@dvs-hg.de](mailto:simone.mahlstedt@dvs-hg.de)

## WELCOME TO ITSC 2016 IN SHANGHAI

Shanghai is the largest Chinese city by population and the largest city proper by population in the world. It is one of the four direct-controlled municipalities of the People's Republic of China, with a population of more than 24 million as of 2013. It is a global financial center, and a transport hub with the world's busiest container port. Located in the Yangtze River Delta in East China, Shanghai sits on the south edge of the mouth of the Yangtze in the middle portion of the Chinese coast. The municipality borders the provinces of Jiangsu and Zhejiang to the north, south and west, and is bounded to the east by the East China Sea. Shanghai is a popular tourist destination renowned for its historical landmarks such as The Bund, City God Temple and Yu Garden as well as the extensive Lujiazui skyline and major museums including the Shanghai Museum and the China Art Museum. It has been described as the "showpiece" of the booming economy of mainland China.

In this extraordinary surrounding ITSC will take place in the Shanghai International Convention Center connected to the Oriental Riverside Hotel. It is located at the heart of Lujiazui, the dynamic financial district of Shanghai. The Oriental Pearl TV Tower is also next to the Convention Center and Hotel.

The Program Committee prepared the conference program very focussed on applications. Thermal spray technology has manifested its advances in lots of branches from medical industry over power generation (including conventional and alternative technologies) up to all kinds of mobility industries. The technical program of ITSC represents benefits and challenges of thermal

spray solutions for all these trendsetting industries. Besides this, the technical program will also share the latest information about modern thermal spray processes, special coating characteristics and all kinds of consumables.

Another highlight of the technical program will be again the Session "**Young Professionals**". ITSC is still supporting young experts becoming part of the worldwide thermal spray family!

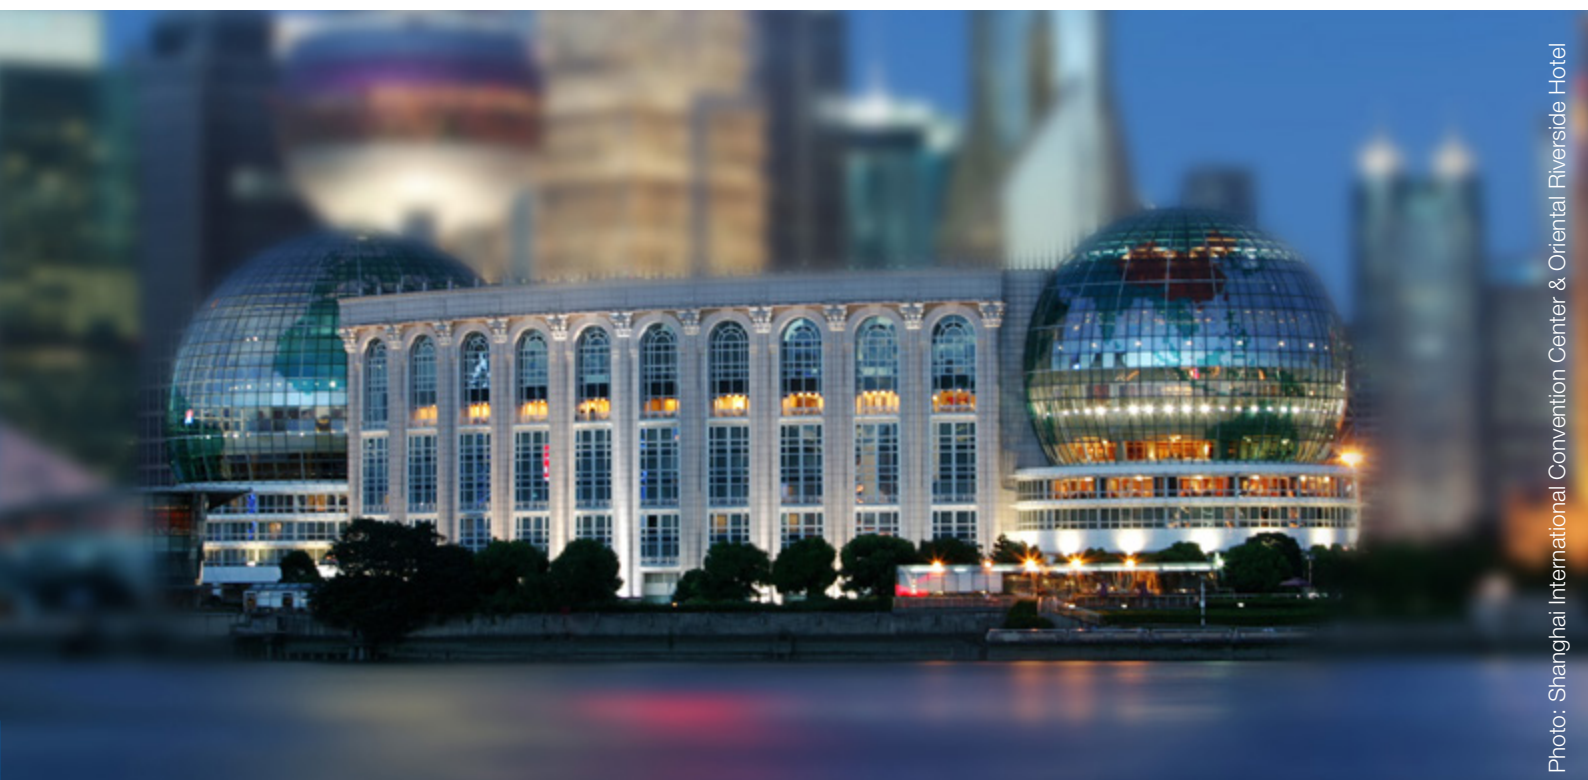

All practically interested experts will be addressed to get the latest information in the "Industrial Forum". The "**Industrial Forum**" will be open to all Expo only visitors and conference attendees.

The **Three-Day Exposition** is an integral part of ITSC 2016. If you are looking for new products and services, have questions or need answers, then ITSC 2016 is the right place for you.

ITSC exhibitors are experts who can offer attendees a wealth of problem-solving information and cost-saving opportunities. You will find information about equipment for thermal spraying, research and specialist institutes, applied research, and the latest innovations conveniently located in one big forum.

The exposition will be held in the Shanghai International Convention Center, Mandarin and Century Hall.

Jens Jerzembeck  
Head of Research and Technology  
DVS – German Welding Society

*UniCoatPro  
packs advanced  
features in a  
small footprint.*

## The Simple Choice for a Perfect Surface

### Great things come in small packages!

Our new **UniCoatPro** thermal spray system platform gives you the advanced features found in high end system platforms in a small footprint and a moderate price tag. UniCoatPro has an easy-to-use Touchscreen Interface with attractive functionality such as sophisticated Trending and Reporting, Multi-Level Alarms and Diagnostics, and Remote Maintenance. It's bound to become a favorite in your spray shop.

Run traditional plasma spray guns or save more time and costs using our cascading arc SinplexPro spray gun with **UniCoatPro Plasma**. Run our liquid-fuel HVOF WokaJet or high efficiency WokaStar gun with **UniCoatPro LF**.

**With Oerlikon Metco, your choice is simple!**

To discuss your surface challenges, visit Booth 141

# CONFERENCE

## ITSC 2016

The ITSC 2016 conference is an opportunity for the global thermal spray community to meet, exchange information and conduct business. This outstanding annual event in the world of thermal spray technology presents the latest advancements in application, research and development in the field of thermal spray.

To complement the technical program, a three-day exposition featuring an Industrial Forum as well as a Poster Session will take place.

**Please mark your calendar for the special ITSC 2016 events:**

### Opening of ITSC 2016 with Plenary Lectures

Tuesday, May 10, 2016, 09:00, Shanghai International Convention Center, Auditorium

### Kick-off ITSC 2016 Exposition and Poster Session

Tuesday, May 10, 2016, 12:00, Shanghai International Convention Center, Mandarin and Century Hall, Foyers

### Exhibitor Welcome Reception and Poster Session

Tuesday, May 10, 2016, 17:40, Shanghai International Convention Center, Mandarin and Century Hall, Foyers

### ITSC 2016 Networking Event

Wednesday, May 11, 2016, 18:30, Huangpu Boat Trip (further information on page 17)

### Industrial Tour – SICCAS – Shanghai Institute of Ceramics, Chinese Academy of Sciences

Friday, May 13, 2016, 07:30 (further information on page 17)

## TIME SCHEDULE ITSC 2016 CONFERENCE AND EXPOSITION (Session Overview)

12:00 – 19:00 ITSC 2016 Exposition, Shanghai International Convention Center, Mandarin and Century Hall

### Tuesday, May 10, 2016

Time	Auditorium	Yellow River Hall	Room 3E	Room 3C + 3D
09:00	Opening: ■ Welcome ■ Plenary Lectures			
10:30		Coffee Break, Shanghai International Convention Center, Foyers		
10:50	Cold Gas Spraying I	Novel Industrial Application	Process, Diagnostics, Sensors & Controls	Ceramic Coatings I
12:30		Lunch Break, Shanghai International Convention Center, Mandarin and Century Hall <b>Poster Session, Shanghai International Convention Center, Century Hall, Foyers</b>		
14:00	Suspension Spraying I	Wind & Offshore	New Processes I	Ceramic Coatings II
15:20		Coffee Break, Shanghai International Convention Center, Mandarin and Century Hall		
15:40		Session "Young Professionals"		
17:00		ITSC Best Paper Awards and Oerlikon Metco Young Professionals Award		
17:40		End of ITSC 2016 Conference Program		
17:40		<b>Exhibitor Welcome Reception, Shanghai International Convention Center, Mandarin and Century Hall</b> <b>Poster Session, Shanghai International Convention Center, Century Hall, Foyers</b>		

09:00 – 17:00 ITSC 2016 Exposition, Shanghai International Convention Center, Mandarin and Century Hall

### Wednesday, May 11, 2016

Time	Yellow River Hall	Room 3E	Room 3G	Room 3H + 3I + 3J	Room 3C + 3D
09:00	Automotive Industry	Cold Gas Spraying II	Wear Protection	Power Generation I	Industrial Forum
10:40		Coffee Break, Shanghai International Convention Center, Mandarin and Century Hall			
11:00	Aviation Industry I	Cold Gas Spraying III	Modeling & Simulation I	Power Generation – Fuel Cell I	Industrial Forum

12:40	Lunch Break, Shanghai International Convention Center, Mandarin and Century Hall <b>Poster Session, Shanghai International Convention Center, Century Hall, Foyers</b>				
13:40	Aviation Industry II	Suspension Spraying II	Modeling & Simulation II	Power Generation – Fuel Cell II	Industrial Forum
15:20	Coffee Break, Shanghai International Convention Center, Mandarin and Century Hall				
15:40	Aviation Industry III	Suspension Spraying III	Pre- & Post-Treatment	Arc Spraying & Laser Spraying	Industrial Forum
17:20	End of ITSC 2016 Conference Program				
18:30	<b>Networking Event, Huangpu Boat Trip</b>				

09:00 – 14:00 ITSC 2016 Exposition, Shanghai International Convention Center, Mandarin and Century Hall

Thursday, May 12, 2016				
Time	Yellow River Hall	Room 3E	Room 3G	Room 3C + 3D
09:00	Power Generation II	Characterization & Testing Methods	HVOF- / HVOF-Spraying	New Processes II
10:40	Coffee Break, Shanghai International Convention Center, Mandarin and Century Hall			
11:00	Power Generation III	Corrosion Protection	Equipment / Consumables & Powders, Wires, Suspensions	Iron-based Coatings
12:40	Lunch Break, Shanghai International Convention Center, Mandarin and Century Hall Poster Session, Shanghai International Convention Center, Century Hall, Foyers			
13:40	Power Generation IV	Medical Industry	Plasma Spraying	Amorphous Coatings
15:20	End of ITSC 2016 Conference Program			

Time	<b>Friday, May 13, 2016</b>				
07:30	Industrial Tour SICCAS – Shanghai Institute of Ceramics, Chinese Academy of Sciences				

## CONFERENCE COMMITTEES AND ENDORSING SPONSORS

### General Chairs

W. Krömmmer, The Linde Group, Primarily Responsible (DE)  
C. Moreau, Concordia University (CA)  
X. Huang, Thermal Spraying Committee of China Surface Engineering Association (CN)  
K. Zhou, Guangzhou Research Institute of Non-Ferrous Metals (CN)

### Host Organizers

TSCC Thermal Spraying Committee of Chinese Surface Engineering Association (CN)

### Technical Chairs

K. Bobzin, RWTH Aachen University, Primarily Responsible (DE)  
D. Puerta, Element Materials Technology (US)  
C. Ding, Shanghai Institute of Ceramics, Chinese Academy of Sciences (CN)  
C. Li, Xi'an Jiaotong University (CN)

SICCAS Shanghai Institute of Ceramics, Chinese Academy of Sciences (CN)

### DVS Representatives

A. Bachmann, Oerlikon Metco AG (Switzerland) (CH)  
J. Beczkowiak, H.C. Starck GmbH (DE)  
K. Bobzin, RWTH Aachen University (DE)  
B. Brommer, DVS - German Welding Society (DE)

## POSTER SESSION / INDUSTRIAL FORUM

### Poster Session

During the ITSC 2016 event a Poster Session will be held.

#### Poster Session during the Exhibitor Welcome Reception

Tuesday, May 10, 2016, 17:40, Shanghai International Convention Center, Century Hall, Foyers

**The poster presenters will be available for discussion in the Century Hall and in the Foyers scheduled as follows:**

Tuesday, May 10, 2016, 12:30 – 14:00 (17:40 – 19:00 during the Exhibitor Welcome Reception)

Wednesday, May 11, 2016, 12:40 – 13:40

Thursday, May 12, 2016, 12:40 – 13:40

In addition further contacts with the authors can be arranged.

The complete Poster Session program of ITSC will be available online at the end of February 2016 – visit: [www.dvs-ev.de/itsc2016](http://www.dvs-ev.de/itsc2016)

### Industrial Forum

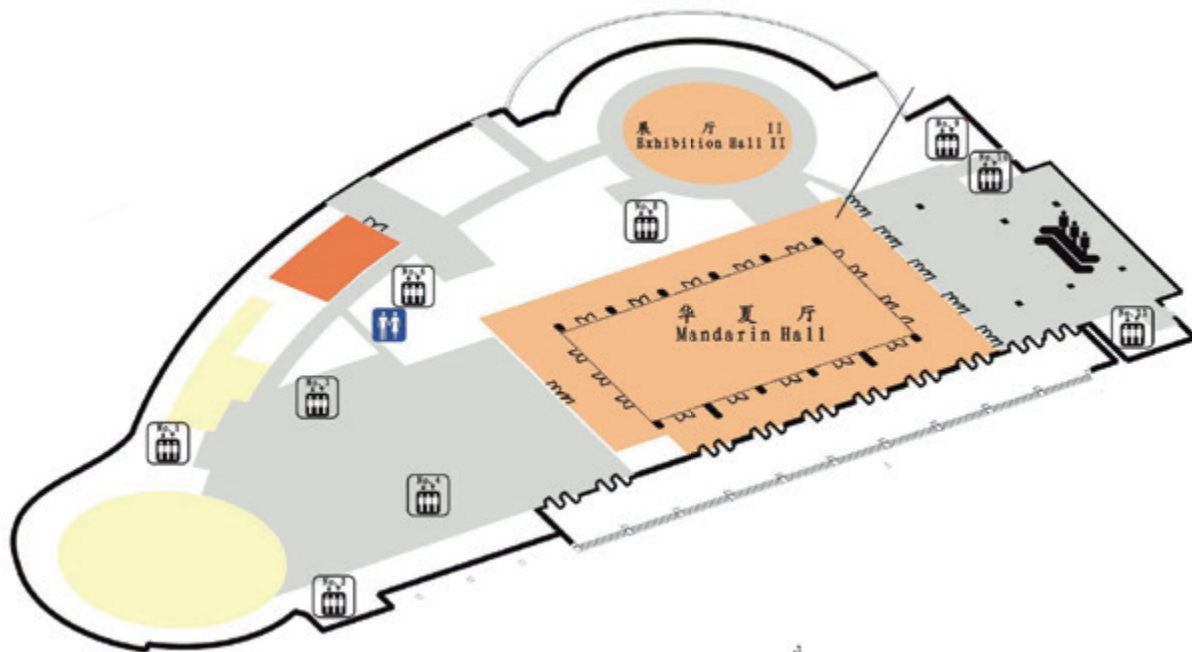

The Industrial Forum will take part during ITSC 2016 in the Shanghai International Convention Center, Room 3C + 3D. Invited companies will present on industry related topics and products during conference and exposition hours. All presentations are given in English and are limited to 20 minutes including question & answer (Q&A). Beside the ITSC conference registrants, also all Expo only attendees are invited to visit the Industrial Forum.

#### Forum Hours:

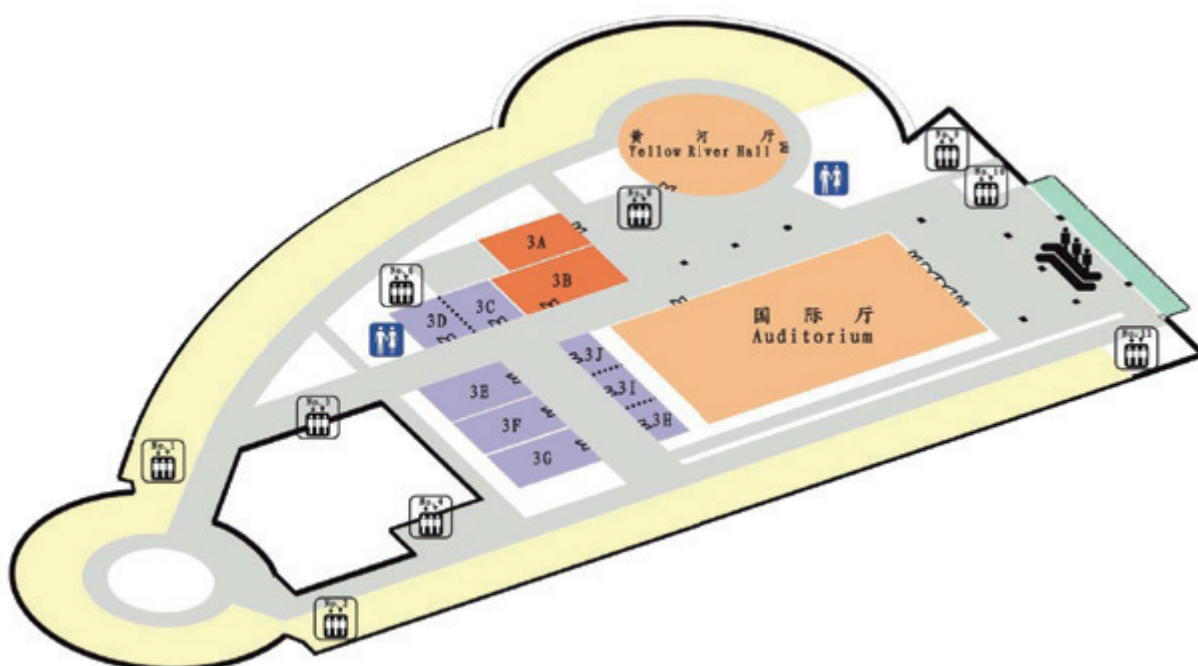

Wednesday, May 11, 2016, 09:00 – 17:00

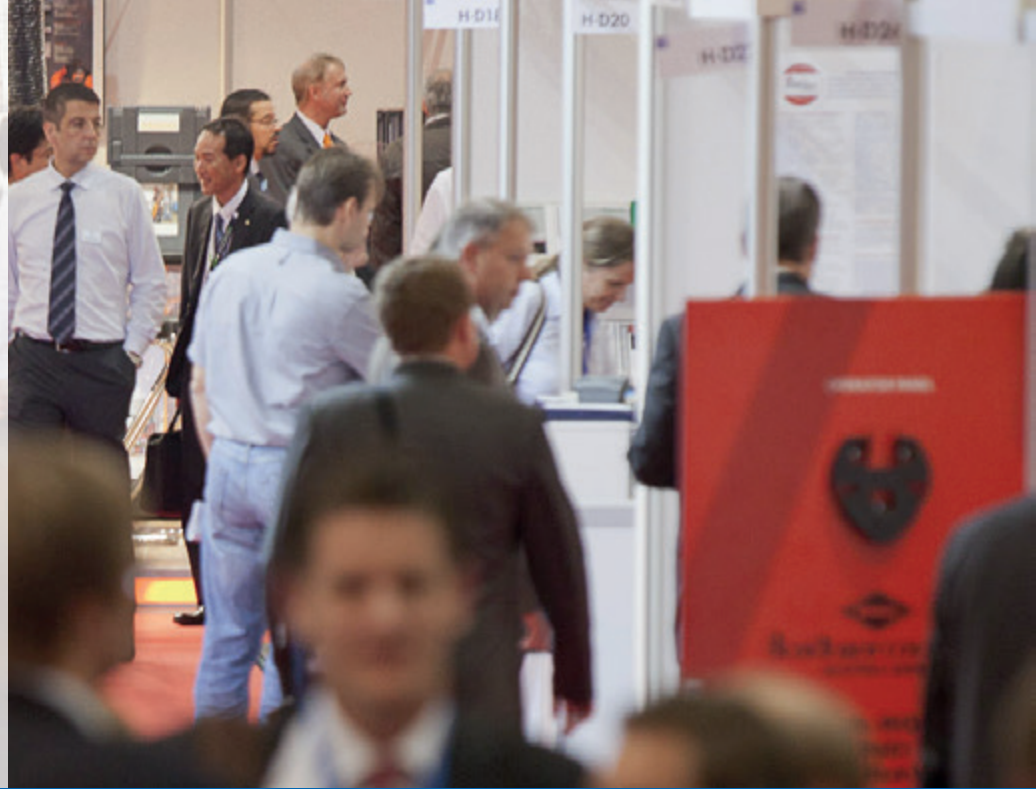

The complete Industrial Forum program of ITSC will be available online at the end of February 2016 – see: [www.dvs-ev.de/itsc2016](http://www.dvs-ev.de/itsc2016)

## 1<sup>st</sup> Floor Plan – Shanghai International Convention Center

## 3<sup>rd</sup> Floor Plan – Shanghai International Convention Center

## EXPOSITION

Concurrent with the conference, the ITSC 2016 Exposition, organized by ASM International, will take place in the Shanghai International Convention Center, Mandarin and Century Hall.

### Kick-off ITSC 2016 Exposition

Tuesday, May 10, 2016, 12:00, Shanghai International Convention Center, Mandarin and Century Hall

### Exhibitor Welcome Reception

Tuesday, May 10, 2016, 17:40, Shanghai International Convention Center, Mandarin and Century Hall

### Exposition Hours

Tuesday, May 10, 2016, 12:00 – 19:00

Wednesday, May 11, 2016, 09:00 – 17:00

Thursday, May 12, 2016, 09:00 – 14:00

### Expo Only

Tickets are free of charge.

## SOCIAL EVENTS PROGRAM / AWARDING

## Opening

Tuesday, May 10, 2016, 09:00, Shanghai International Convention Center, Auditorium  
Welcome, Plenary Lectures

## Session “Young Professionals” with ITSC Best Paper Awards and Oerlikon Metco Young Professionals Award

Tuesday, May 10, 2016, 15:40, Shanghai International Convention Center, Auditorium  
All awards will be presented at the end of this session.

## TSS Hall of Fame

The TSS Hall of Fame will be presented during ITSC 2016.

## JTST Best Paper Awards

The JTST Best Paper Awards will be presented during ITSC 2016.

## Exhibitor Welcome Reception

Tuesday, May 10, 2016, 17:40, Shanghai International Convention Center, Mandarin and Century Hall  
All registrants are invited by ASM and DVS for a snack and drinks.

## ITSC 2016 Networking Event (Huangpu Boat Trip)

Wednesday, May 11, 2016, 18:30

Join us Wednesday at the ITSC 2016 Networking Event, a boat trip on the Huangpu River. Enjoy food, beverages and music. The Networking Event is included with a Complete Registration. Additional tickets are limited, but can be ordered with the registration form (first-come-first-served basis).

**Departure (by bus):** 18:30 Shanghai International Convention Center & Oriental Riverside Hotel  
No. 2727, Riverside Avenue Pudong  
Shanghai, 200120, P.R. China

**Return (by bus):** 23:00 Shanghai International Convention Center & Oriental Riverside Hotel

Registrants should be present 10 minutes before departure.

## Industrial Tour – SICCAS – Shanghai Institute of Ceramics, Chinese Academy of Sciences

Friday, May 13, 2016, 07:30

Drive to SICCAS Jiading Campus. Introduction by the leader of SICCAS. Visit of the Thermal Spraying Labotory.

**Departure (by bus):** 07:30 Shanghai International Convention Center & Oriental Riverside Hotel  
No. 2727, Riverside Avenue Pudong  
Shanghai, 200120, P.R. China

**Return (by bus):** 12:00 Shanghai International Convention Center & Oriental Riverside Hotel

Registrants should be present 10 minutes before departure.

#### ITSC 2016 Venue

Shanghai International Convention Center  
& Oriental Riverside Hotel  
No. 2727, Riverside Avenue Pudong  
Shanghai, 200120, P.R. China  
Auditorium, Yellow River Hall,  
Room 3C + 3D, Room 3E, Room 3G,  
Room 3H + 3I + 3J, 3<sup>rd</sup> Floor  
Mandarin Hall, Century Hall, 1<sup>st</sup> Floor

#### Information

The conference will take place as a discussion event. A Time Schedule with Session Information can be found on page 08. The complete program of ITSC 2016 (date and time for oral presentations, poster presentations, presentations in the Industrial Forum, Presenting Authors, Poster Presenters, Session Chairmen) will be available online at the end of February 2016 – see: [www.dvs-ev.de/itsc2016](http://www.dvs-ev.de/itsc2016)

The language of ITSC is English.

#### Complete Registration includes:

- Plenary Program
- 3-Day Technical Conference
- 3-Day Exposition
- One Conference Proceedings USB stick (with abstract book)
- Coffee Breaks
- Lunch Breaks
- Exhibitor Welcome Reception
- One ITSC 2016 Networking Event Ticket

#### Minimum Registration includes:

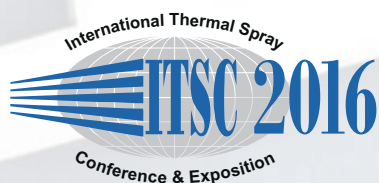

- Plenary Program
- 3-Day Technical Conference
- 3-Day Exposition
- Coffee Breaks
- Lunch Breaks
- Exhibitor Welcome Reception

Day-Ticket possible!

#### Exhibitor Staff (for conference attendance)

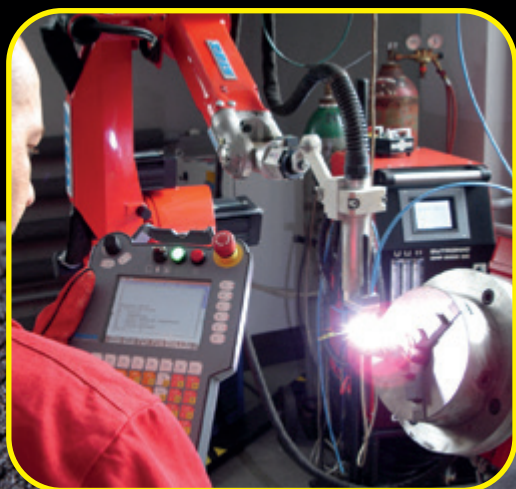

Please contact DVS directly for a special offer!

## GENERAL INFORMATION

**YOUR PARTNER FOR  
COATING TECHNOLOGY,  
CONSUMABLES, EQUIPMENT  
AND SERVICES**

### By taxi:

From Hongqiao International Airport (40 minutes, approx. RMB 100)

From Pudong International Airport (60 minutes, approx. RMB 160)

### Time

UTC (+ 8 hours)

## TIPS FOR SHANGHAI

### Weather

The Shanghai weather is generally mild and moist, with four distinct seasons - a pleasant warm spring, a hot rainy summer, a comfortable cool autumn and an overcast cold winter.

The hottest time here comes in July and August, with more than 10 days at temperatures above 35° C (95° F). The coldest time is from the late January to early February. **The spring from March to May is recommended as the best time to pay a visit.**

### Shops

To welcome more visitors, Shanghai has adopted tax refund policy since July 1, 2015 among tourists from foreign countries. At present, there are 27 tax free stores in the city, mainly situated at Nanjing Road and around Yuyuan Garden.

### Electricity

The voltage in China is 110 and 220 volts. Travelers are advised to bring a power converter and an adapter.

### VISA

Attendees are requested to check with the Chinese consulate in their home country or with their travel agency for visa requirements. It is the responsibility of the attendee to obtain a visa in advance. If you need an invitation letter please contact: [tagungen@dvs-hg.de](mailto:tagungen@dvs-hg.de)

For more information regarding Shanghai, please visit:

## Exhibition Opportunities

Over 700 qualified buyers are attending ITSC 2016 seeking out solutions that your new products and services provide. This three-day exposition provides ample face-to-face time for your prospects to ask questions and get your answers on problem-solving and cost-saving opportunities in thermal spraying. Research and specialist institutes, applied research, and the latest innovations are all conveniently located in one large forum.

Secure a booth and/or a custom sponsorship package at ITSC 2016 in Shanghai International Convention Center, Mandarin and Century Hall.

## Booth Package Pricing

\$3,150 USD for first booth; \$2,950 USD per additional booth. \$100 USD premium corner charge.

Includes:

- Post-show attendee list (no emails)
- Company listing in the online/printed show directory
- Discounted full conference registration for exhibitors
- Unlimited Expo Only complimentary passes
- Complimentary Furniture: Information counter, 2 chairs, waste basket, 2 - 100W spotlight, and 13A/220V 500W socket

## Sponsorship Opportunities

Are you interested in broadening your company's image and while supporting ITSC?  
We invite you to become a sponsor in 2016!

- Enhance your visibility during the conference
- Broaden your competitive edge
- Develop more meaningful relationships with both existing and potential customers
- Exclusive and traditional sponsorship available

To learn more about sponsorship opportunities and to discuss customizing a program to meet your specific needs, contact:

# THERMAL SPRAY BULLETIN

The leading journal for Thermal Spraying in Europe!

Thermal Spraying is a relatively young coating technology. Nevertheless, spraying technology has become established very quickly and, until today, has been the first-choice process in many branches of industry when economically viable, large-area and functional coatings are demanded.

„**THERMAL SPRAY BULLETIN**“ takes up this technology in a journalistic form and publishes in two languages (German/English) not only application-oriented specialist articles about the newest developments and the state of the art but also reviewed scientific specialist articles. Moreover, reports on events, standardisation activities and companies ensure that the readership always remains informed about the latest developments.

News/events, Standardisation, From Companies, Specialist Articles and Scientific Specialist Articles. Furthermore, the „**THERMAL SPRAY BULLETIN**“ includes the GTS-Strahl with information on member companies, GTS-Events, interviews and patents.
