

Welcome

Welcome to the 2016 International Thermal Spray Conference and Exposition, taking place in the Shanghai International Convention Center in exciting Shanghai, China. ITSC is the premier annual event for the global thermal spray community to meet, exchange information, and conduct business.

This global event is jointly organized by the German Welding Society (DVS), ASM International's Thermal Spray Society (TSS) and International Institute of Welding (IIW).

This year, the organizers are proud to be supported by their Chinese partners as Host Organizers of ITSC 2016: TSCC – Thermal Spray Committee of Chinese Surface Engineering Association and SICCAS – Shanghai Institute of Ceramics, Chinese Academy of Sciences. ASM International's Thermal Spray Society is the exposition partner for ITSC 2016.

Shanghai, China –
A World Class Conference
Location

ITSC will take place in the Shanghai International Convention Center connected to the Oriental Riverside Hotel. Over 700 attendees will come together in this popular tourist destination renowned for its historical landmarks such as The Bund, City God Temple and Yu Garden as well as the extensive Lujiazui skyline and major museums including the Shanghai Museum and the China Art Museum. Shanghai has been described as the “showpiece“ of the booming economy of mainland China.

It is located at the heart of Lujiazui, the dynamic financial district of Shanghai, and is 20 kilometers from the airport. The Oriental Pearl TV Tower is also next to the Convention Center and Hotel. There is easy access to all parts of the city, especially to Shanghai downtown. Come and enjoy countless wonderful experiences at ITSC in Shanghai!
